

Clinician Job Description: Full or Part-time

Licensed Psychologist (or license eligible/post-doc)/ Licensed Therapist (LPCC or LCSW)

Viewpoint Psychological Services, PLLC, (www.viewpointpsych.com) is an established group practice consisting of Psychologists, Licensed Professional Clinical Counselors, and Licensed Social Workers. We have been serving the Northern Kentucky community since 2006, and have newly renovated offices in Ft. Thomas, Crestview Hills, and Florence, Kentucky. We are looking for dependable, compassionate professionals to join our team to meet the increased mental health needs of the Northern Kentucky/Greater Cincinnati community.

We are seeking full time and/or part time clinicians to provide outpatient individual therapy. Typical therapy services include individual treatment of adults, adolescents, children, couples, families and/or groups. Specialties in working with children/teens are preferred, but not required. Applicants must be licensed at the Doctoral or Masters level in the State of Kentucky, and we offer postdoctoral supervision for temporary licensed psychologists (including post-doc opportunities).

Minimum Qualification Requirements:

- Master's Degree or Doctoral Degree in counseling, social work or psychology; and
- Independently licensed (Psychologists, LCSW, or LPCC) in the State of Kentucky (must be fully licensed, or license eligible/post-doc)
- Solid clinical background with strong ability to connect with others in a therapeutic manner, and commitment to high quality and ethical practice

Job Duties and Responsibilities:

1. Provide clinical counseling services (on site and/or via telehealth), engaging in strong therapeutic relationships, while practicing with a high level of skill and ethical standards.
2. Regular, reliable attendance and timely arrival to work is required, as well as the demonstration of professionalism.
3. Maintain current license, and continuing education; abide by all laws, rules, regulations, and codes of ethics in all services provided on behalf of Viewpoint Psychological Services.

4. Respond to client requests for service or calls within 24 hours whether such requests are made in person, by phone, voicemail, etc.
5. Communicate with a client's treatment team (i.e., PCP, psychiatrist, school, etc.) as necessary.
6. Maintain written records in a timely fashion, including, but not limited to: intake notes, progress notes, treatment plans, termination notes, contract notes, and other forms or documents or third parties; Keep client files current and accurate.
7. Maintain and convey a professional image and represent Viewpoint Psychological Services in a positive light.

We Provide:

- Flexible schedule- you control your available days and times as well as days off
- A steady stream of referrals (with help in developing or marketing to your particular interest or niche areas)
- Competitive compensation (with no productivity requirements)
- Retirement plan (with employer match)
- Clinical supervision for post-doc placements and support in Kentucky licensing process
- Support staff who check benefits, schedule appointments, answers calls and files paperwork.
- In house medical biller to coordinate benefits/eligibility and submit insurance claims, as well as support in the credentialing process
- Ongoing individual consultation with team members and practice owners, as needed/wanted
- Monthly peer case consultation with other clinicians
- Social engagement with other professionals on our team, including optional outreach events in the community
- Supportive team environment
- Comfortable, furnished, newly renovated professional office space
- Computer, phone, use of Practice Management software provided

Interested applicants should send CV with cover letter to Dr. Jennifer Ossege at
DrOssege@viewpointpsych.com.
